
Hi, Bonus Expert Here :o)

Hi Guy's and Girls

I'm Dan, also know online as Bonus Expert or BE for short.

Nice forum you have here even if It's a little empty right now, I assume you've just started right? (admin??)

I like because it looks cool, it's easy to navigate and it doesn't have all those annoying stupid flashing banners on other forums, lot's of potential me thinks :)

So just to say hi to the people that have started posting, I know almost all the casinos back to front and don't mind helping anyone out with any questions they might have on anything.

I'm quite a nice guy when you get to know me :)

BE B)

Oh yeah, almost forgot to say that I make my living from casino's there are always new (and old) ones to abuse, and I'm always there abusing them and winning tonnes of cash he he

Hi BE!

You seem like the person I should take many notes from, I like online bonuses from casinos, did a little money profiting from them myself a while back but i'm mostly a real casinos man when I get the time.

Hope to learn more from you in the coming future.

Talk soon!

Gary
