
\$5000 for Free?

Posted by ansub - 2008/11/13 23:07

Hey Guys,

Online Vegas is giving up to \$5,000 Dollars Match up bonus!

That is a deal I have never seen ANY casino give away.

Is there a catch? Only catch is that you don't get it all at once.... ahahaha.

Your deposit match up is up to \$5,000...

But that shouldn't matter, this deal is sick. If you play often, you should grab this!

Check out the link in my sig for details...

You can play this casino in ALL currencies.

I just had a new player last month try this & they WON!
