
Ever See Celebrities in Casinos?

Hey,

I remember I went to Atlantic City once and I saw lots of paparazzi all over some actor who I don't really know much about.

Anyways, guy came out of a Bentley, you know, everyone staring... and stuff.

Just wondering if you guy ever spotted celebs in the casinos chilling. ???

Also ever seen hot rides parked in the valet parking lot..

I saw a Bentley, Lambo Diablo, Ferrari Modena, Aston Martin, Rolls Royce, Porsche 911 Carrera GT.... and that's all..

Boy....

I heard J.LO once won like a million bucks in Atlantic City. She & her mother. Think it was 2002 or something.

I was watching Paris Hilton's BFF show and she went to Las Vegas in a casino. Everyone staring. Saying "Hi"....

Hi,

No I haven't so far, I imagine Michael Owen frequents them quite a lot.

After the global financial crisis, most American casinos are said to be at the brink of bankruptcy. To get their usual revenue, they tap their celebrities to be their endorsers as well as players to bring back the so-called Casino Rulz.
