
Slots of Vegas

Posted by vegasfun - 2009/06/23 16:22

Hey guys!!

Have you guys ever visited the slots of vegas casino? I heard they have some really awesome games and bonuses there. If you have played at slots of vegas,do share your experiences here... :)

Hi

Slots of vegas looks quite good, i notice it's not part of a large casino network it's an independent casino so I wouldnt be 100% confident they could afford to pay me if I went in there and won a massive jackpot.

I prefer the larger, well known casinos for slots myself, my personal favourite being Ladbrokes Casino for slots, they have 100's of slots games.

Intercasino is also great for slots.

BE B)
