Hi everyone,

I am new to this site and I am here to ask any site visitors/members if they could spare 10 minutes or less to take part in my survey about internet gambling behaviour. I really am a PhD student and would really, really appreciate your participation!

I need approximately 1000 participants and I am slowly getting there but still need a lot more so please help me! It is completely anonymous and should be very interesting for you!

Any questions please ask

Thanks!
